

ISAA Network General Terms and Conditions of Sale 2019 - 2021

1. The Conditions set out here are the only conditions on which we sell sponsorships. Unless we both otherwise expressly agree in writing they will apply notwithstanding any other terms subject to which you want to engage in purchasing a sponsorship or other opportunity with ISAA Network. In these conditions “sponsorship” means all opportunities communicated by us to you, “we” means ISAA Network and “you” means the company, person or legal entity buying goods, services or opportunities. By placing an order on or after the effective date shown on the first invoice delivered to you, you will be deemed to have accepted these terms and conditions of sale.
2. The prices listed on our website and any and all current sponsorship collateral supersede all previous price lists. The prices for these products, services and opportunities may be subject to market and exchange rate fluctuations and cannot be guaranteed. If we suffer any cost increases we will try to absorb them but we reserve the right to increase our prices for these products, services or opportunities if our costs increase significantly.
3. Our prices exclude V.A.T / Sales taxes, where applicable.
4. Payment terms are strictly net. Your payment should reach us by the due date. This is shown on every invoice we issue. Time of payment is of the essence of the contract between us, where a contract has been executed. Please note, not all sponsorship engagements require or have been bound by contract. Interest may be charged at 0.75% per month pro rata on overdue accounts.
5. Refunds for all sponsorships are executable for cancelled events only. Credit for postponed events, services and opportunities will be applied toward future, postponed or supplemental events.
6. We shall be entitled to suspend any services, sponsorships or opportunities and cancel any agreement if you are overdue with any payment (under any agreement with us).
7. Once any action is taken under the understood engagement (service, opportunity or sponsorship) including communication, promotion, announcement or other actions, it is understood the engagement is considered to be underway and binding.
